My 11 Years of LibDems Experience

Dear LibDem friends I would like to ask you for your support in the selection for Chorlton Park Wards Local Council Election to become your next local Councillor. Being born in South Manchester and twice elected as Councillor I have the in-depth knowledge, the experience, to hit the ground running. Over the years I have delivered on several thousand cases, regularly kept surgeries, walk about in the ward, meeting locals. As your Councillor I will bring 11 years of political experience, a strong voice in championing Chorlton Park, its residents, supporting our hard working Councillors and first LibDem MP John Leach to be re-elect.
